

Um welche Themen ging es?

Greener Schools for a
sustainable Future

Climate Change education

Wo waren wir?

Alicante, Spain
6th - 12th October 2024

PMS Erasmus plus course

Was haben wir gemacht?

School Presentations

Climate change education

Eco Awakening:

Climate and weather
Earths systems
Greenhouse effect
Ecological footprint

Energy and Climate Change:

Water cycle and climate change
Energy use – non-renewable,
renewable and alternate
energies

Implementing a climate change programme at our school

Was haben wir für uns mitgenommen?

- ✓ Start a school compost
- ✓ Plans in the classrooms
- ✓ use recycled paper
- ✓ Buy eco-friendly
- ✓ Reduce prints → use multimedia in the classroom
- ✓ Reusable water bottles and lunch boxes
- ✓ Start an eco- club
- ✓ Nature-AG
- ✓ Remove the bins on the playground
- ✓ Use of rechargeable battery
- ✓ Create art with recycling garbage
- ✓ Garbage-day (collect garbage)
- ✓ Flair-market/ clothing recycling

Outdoor Activity
